

MAMS Parent Connection Website

The Mass Academy Parent Connection is intended to be the “go to” place whenever you need updates on what is going on at Mass Academy. Here you can expect to find:

- Latest Mass Academy calendar
- Photos from recent school events
- Directory of students and parents
- Message boards discussing the latest activities at the school
- Sign up sheets to volunteer for various activities
- Commonly required documents

This is a private website, so only parents are invited to join and view it. You must first set up an account if you have not already done so. A link to this site will be placed on the Mass Academy general website.

Step One. Set up User Account

Go to <https://mamsparentconnection.shutterstock.com>

- Set up account using the e-mail you use to communicate with Mass Academy. If you received an e-mail invitation from Mass Academy, you can use that link.

Step Two. Customize Settings

- Select the **Members** dropdown box at top right, then select **Edit my settings** option.
 - In the **Summary** tab, upload your photo and change your screen name.
 - In the **Email from site** tab, customize when you want to receive e-mail notifications.
- At main screen, select **Members** dropdown then select **Edit my profile** option
 - Update your screen name and upload a photo

Step Three: Update Directory

- Select the **Directory** tab, **Options** dropdown menu at the top right, then **Add Children** option.
- Fill in child and parent information then upload a photo of your student.
