

## SHADOWING AT THE MASS ACADEMY

Spending a day at the Academy is a great way to see what we're all about. Here are few things you need to know before you arrive.

- ❖ School starts at 7:50; please arrive between 7:30 - 7:45 to meet your host and to get organized.
- ❖ Remember to bring a lunch; we have a refrigerator and microwaves for student use.
- ❖ We follow the Worcester Public School system for snow cancellations and delays. If you are planning to visit during February school vacation week, please call the Academy in event of a snow storm.
- ❖ Please be respectful of our students and our school policies.
  - Cell phones must be turned off during school
  - No food/drinks in the classroom/library area
  - No video games or other off task computer use
- ❖ After lunch, you will be taking the WPI shuttle for a guided tour of the campus; please dress accordingly, as the days can get very cold.
- ❖ All visiting students must remain with their assigned hosts at all times.
- ❖ Pick up is at 2:30 pm at the Academy.

If this interests you, call the Academy (508) 831-5859 to sign up for one of our Shadow Days.
